Capacity Crowd Attend Commencement Exercise

The commencement exercises of the Haliburton County District High School were held on Friday evening and the event was attended by an exceptionally large crowd which filled the auditorium to capacity. Citizens from every part of the Highlands were present to see their boys and girls receive their diplomas and awards. Those who were recipients of same are listed on page eight of this paper.

The highlight of commencement is the valedictory address which was delivered this year by Miss Susan Cameron of Wilberforce.

After listening to this young valedictorian, who held the rapt attention of the large audience, we feel that anyone who wishes to apply themselves can do well at the county high school. She delivered a masterful address in a manner that would give the impression that she had been a graduate of an institute of public speaking.

Principal Frank Litt, who acted as chairman for the occasion, traced the growth of our high school since its opening when less than 200 pupils were on the roll and the staff was comprised of 11 teachers, while today the enrolment is over 400 with a teaching staff of 20. Two new additions have been added to the original building while at present a new composite wing is under construction.

Those who took in this event had the opportunity of meeting and hearing an address from one who was certainly no stranger to many of those present. We refer to Mr. David Clee who, from a somewhat humble beginning as a teacher in the Haliburton continuation school, now holds a very responsible position in the Dept. of Education in Toronto.

Mr. Clee in an address that sparkled with words of wit and wisdom, gave everyone present, whether old or young, something to think about. At the outset of his address he marked that the young people receiving their diplomas tonight, barring ill health or accident, would be celebrating New Year's eve in the year 2000. In the past 50 years he said more progress had been made in the field of science than in any other 500 years in world history.

The speaker forecast that the advances in the next 50 years would be even greater, in all pro-

bability we would see inter-planetary travel between this earth and the moon and Mars and other marvelous changes that would effect our modes of life.

The speaker handed out some sound advice to the parents present as to ways of encouraging their boys and girls to study hard and acquire as much education as possible that would enable them to be successful citizens capable of coping with the changing conditions that are to come.

In closing Mr. Clee admonished the pupils to secure as much education as possible and while the road up the ladder to success may be a long and difficult one, "there is lots of room at the top."

Commencement Echoes

Mrs. Burt introduced the valedictorian, Miss Susan Cameron, and Mr. G. H. Thayer introduced the speaker of the evening, Mr. David Clee.

If there was what might be called a note of sadness in any of the evenings proceedings, it occurred when Mrs. Peggy Neville was presenting the Dysart Home and School trophy. Mrs. Neville stated that owing to lack of interest on the part of parents, this association had folded so this would be the last time the trophy was presented.

Miss Julie Woodcock delighted those present with a medley of three vocal numbers. She was accompanied at the piano by Mr. Bill Gliddon.

Letters To Editor

Dear Sir:

It has been drawn to my attention that many ratepayers living outside the village are under the impression that the well drilling, property purchase, options, etc., were paid for out of general funds, with the result those persons living in rural areas will have to pay a share.

This is not the case. This program was carried out by the Ontario Water Resources Commission at a cost of approximately \$7,500. This amount is included in the estimated cost of \$135,000.

This amount of \$135,000 will be raised by levying rates on users and those who own property serviced by the system. The total estimated annual cost to a user with an 80 foot lot will be \$58.05 (residential rate). The rates as set are calculated to pay the capital cost, operating cost and interest of the system over a 30 year period.

No ratepayers outside the area as laid out by the engineers of the OWRC, would be responsible for any of the costs of the proposed system. A detailed map, showing the area of the system, as prepared by the engineers can be seen at the municipal office.

I trust that this will clarify the misunderstanding that appears to exist.

Yours very truly,
L. A. Pritchard, reeve,
Municipality of
Anson, Hindon and Minden.

Shoots Deer, Hunter Dies

Harry Lee, 68, of Ypsilanti, Mich., died on Tuesday afternoon about 4 p.m. shortly after shooting a deer.

The deceased had been hunting with Harold Brodhagen's party in the vicinity of East Lake and it would appear that after bringing down his deer he had gone over to dress it when he suffered a heart seizure and passed away.

The death was investigated by O.P.P. Const. George Mounstevan along with Coroner D. W. Glasse, who pronounced death due to heart failure.

SPORTS FLASH

CKVR-TV reported on Wednesday that Haliburton, Minden and Bobcaygeon will join together this winter to form an all-star hockey team. The club to be entered in the intermediate "C" OHA Muskoka loop.

Minden Monarchs meet Sunderland this week end in an exhibition game at the Cannington arena.

Dysart Nomination November 23

Dysart nomination meeting will be held on Friday evening November 23, with election day falling on Saturday, December 1.

This meeting will be of more than ordinary importance due to the intense interest being shown by cottagers' associations in affairs in the township.

Electors are being called to select a reeve and deputy reeve a township wide vote and three councillors under the ward system. Three school trustees are also to be selected for a two year term, under a township wide vote.

The only other question to be voted on is Sunday movies and if an affirmative vote is cast it will be permissible to show movies after 1:30 p.m. in the afternoon.

Contrary to a report in this paper, we will not be voting on the abolition of the ward system which has not worked out as expected by many who voted "yes" to this question.

Stanhope Council

The following are the minutes of the November 7, meeting of Stanhope council with all members present.

Moved by John Broderick, seconded by Allan Sisson, that the minutes of the previous meeting be adopted as read. Carried.

Moved by Clayton Rogers, seconded by John Broderick, that we accept the tender of Robert E. Brohm at a cost of \$1,950 for the repairs to the abutments of the Maple Lake bridge on St. Peter's road, lot 21, conc. 4. Carried.

Moved by William Cowen, seconded by Clayton Rogers, that we apply to the Dept. of Municipal Affairs for the approval of a winter works program in the amount of \$2,000. Carried.

Moved by William Cowen, seconded by Allan Sisson, be it resolved that Mr. Clayton Rogers approach the manager of the forestry school re: timber on the road known as Peach Lake road as to the disposition of the timber on this property and report to reeve. Carried.

Moved by John Broderick, seconded by William Cowen, that the township of Stanhope donate to the Salvation Army the sum of \$25. Carried.

Moved by William Cowen, seconded by Allan Sisson, that the correspondence as read be filed for future reference. Carried.

Moved by William Cowen, seconded by John N. Broderick, that the accounts amounting to \$153.03, October relief \$85, roadvoucher No. 10 for \$2,735 be approved and paid. Carried.

By-law No. 10-62 appointing election officers received its three readings and passed.

Moved by John Broderick, seconded by Wm. Cowen, that this

A Day To Remember

Incredible as it may seem to veterans of World War I, it is 44 years this month since that first armistice day which is now called Remembrance day, when the bugles rang out the cease fire and a strange silence descended upon the long battle fields of France and Flanders.

Forty-four years is a long time, but one recaptures some of the atmosphere of the first armistice day in perusing news dispatches published at the time. They mirror scenes which reflect the soul of a delivered humanity gone wild with joy—scenes which were to be repeated when the bells of victory pealed again at the end of World War II 27 years later.

November 11, 1962, 17 years after the end of World War II we again pay homage to our war dead, and while we honor those who paid the supreme sacrifice, we pause too to think of those who need our aid.

They shall not grow old as we that are left grow old, Age shall not weary them, nor the years condemn: At the going down of the sun and in the morning, We will remember them.

Remembrance day services will be held at 11 a.m. at the Haliburton war memorial on Sunday, November 11, thence to St. George's Anglican Church for service at 11:15 a.m.

Liquor Growing By Side Of Road Near Minden?

Two men who sat on a Minden township road drinking wine neither had purchased appeared before Magistrate R. I. Moore.

Wilbert Stamp of Minden was fined \$30 and costs or 21 days in jail in default of payment for second offence intoxication.

William Henderson of Haliburton was remanded in custody until Wednesday after being convicted of having liquor in a public place other than his residence.

Asked by the magistrate who owned the liquor, both men stated they did not. "I guess it must grow on the side of the road in the Minden area," the magistrate remarked.

WE REGRET THE OMISSION

We wish to report an error in our account of the high school commencement awards which appear on page eight of this paper.

We have neglected to list the award of the Royal Canadian Legion scholarship which amounts to \$200 and is to be presented to Miss Susan Cameron at their annual awards dinner.

56 Fires Destroyed 195 Acres

While there has been an average number of fires in the Lindsay forest district this year acreage burned is below the yearly average.

Forest protection supervisor Basil Benson commenting on the season which ended October 31, said 195½ acres had been destroyed by fire in a total of 56 outbreaks.

"We average between 50 and 60 fires a year," said the supervisor.

Mr. Benson of the Dept. of Lands and Forests said worst month was April when 182 acres were burned.

Largest fire was in Glamorgan township which destroyed 75 acres.

"Many of the outbreaks were grass fires and therefore lumber damage will be down considerably from last year."

Campers were blamed for 18 of the fires and miscellaneous causes were blamed for 14 outbreaks.

Eight fires were started by lightning, the supervisor said. A total of 35 forest rangers manned the 13 fire lookout posts in the district which comprises 2,715 square miles.

Bids Called For Minden Water System

Tenders are being called for construction of a \$135,000 water supply system at Minden. Cost of the project will be underwritten by the townships of Anson, Hindon and Minden.

Township clerk, Gordon Bibby, said Thursday tenders will be received by the Ontario Water Resources Commission. The Ontario Municipal Board has given the project tentative approval.

Annual cost of the water works system is estimated at \$13,162. This includes interest, debt retirement, operating cost and reserve for renewals, replacements, etc.

It is proposed to raise \$1,103 on a connection charge of \$5.25; a further \$5.40 on a frontage rate of 21 cents per foot and \$7,200 on domestic units.

Minden council at a recent meeting set tentative rates for the proposed system.

Mr. Bibby explained that rates quoted are calculated to pay the total cost of operation over 30-year period.

Wells for the proposed system were drilled several weeks ago and water has been pumped at the rate of 300 gallons a minute for several hours.

Tests conducted by OWRC engineers show that a supply of 60 gallons a minute would supply the village. Tests have shown the water to be most favorable in quality.

HALIBURTON NEWS LETTER . . .

Due to having the misfortune to fall and fracture some ribs, Mrs. Elda McKnight, who serves as organist at the United church has been unable to act in this capacity for the past three weeks. We hope that she will soon be able to resume her position as organist.

Hunting season is in full swing with quite a few deer being shot the first two days. We under-

stand that Bert Curry's party shot 12 deer on Monday. There seem to be plenty of moose, but as yet we have only heard of one being shot.

We note that Lakeshore Marine are enlarging their premises. Boating over the past few years has become increasingly popular with every year seeing more boats afloat on our lakes. In or-

der to keep up with the increase of boating business Jack Hunter has found that he requires additional space, hence the new addition.

Armistice Day will be observed on Sunday when the members of the Royal Canadian Legion, headed by their band, will parade to the cenotaph for a short service and thence to St. George's Anglican Church for divine worship.

Blurred Spot In A Rosy Picture

IT WAS in 1927, the year Canada celebrated her jubilee, and Lindberg flew the Atlantic, that tuberculosis workers in Canada decided that from coast to coast the Christmas seal campaign would be their way of raising funds for prevention of tuberculosis. Some associations had been using this method of fund raising since 1908, with ever increasing success. That year they persuaded their fellow workers to clarify the cause for the public by all using the same appeal.

A look at the statistics of that year will give us an idea of just how much faith they had. The death rate in Canada at that time of 81.7 per 100,000. We had no city with a population the size of Metropolitan Toronto at present but if there had been it could have been expected that deaths from tuberculosis would be between 1,700 and 1,800 a year. In 1961 in Metropolitan Toronto there were 33 deaths from TB. Granted there are

several cities with higher TB rates. No matter which area one studied there would be dramatic changes for the better.

This should give us great cause for thankfulness but let us not confuse thankfulness with complacency, which is not the same thing at all.

Success in treating tuberculosis has been much more dramatic than success in prevention. A good deal is said about the number of sanatorium beds which have been closed. Let this not obscure the fact that there are still some 9,000 patients having to be treated for tuberculosis in Canada during a year.

Tuberculosis prevention still needs support from the public. That is why you still receive Christmas seals from the TB association. Your financial support is still needed. So is your support for the preventive program. Help with both.

WEDDING

Galbraith - King

Marilyn Jeanne King of Woodville and John Herbert Galbraith of Newmarket were married amid a setting of white and yellow mums and ferns in Cambridge Street United Church, Lindsay on October 6 at 3 p.m. The bride is the daughter of Mr. and Mrs. William Lloyd King of Woodville and the granddaughter of Mr. and Mrs. Ernest Windover of Minden. The groom is the son of Mr. and Mrs. E. James Galbraith of Newmarket.

Rev. Robert K. McLean, assisted by Rev. Basil Long performed the ceremony and the soloist was John Ford of Toronto. He sang "O Perfect Love" and "The Wedding Prayer" accompanied by Alan D. Bennett of Lindsay. Given in marriage by her father, the bride was charming in a white satin peau de soie gown. The gown was styled with a bateau neckline, long sleeves and a bell shaped skirt which had a French lace overskirt. A cathedral train fell in folds from the waistline and was accented by a large satin bow. Her headdress was a white satin peau de soie and lace pillbox which held a white tulle bouffant shoulder length veil. She carried a bouquet of white Cala lilies.

The matron of honor was Mrs. Nancy Lee Gamsby, sister of the bride, of Oshawa and the bridesmaids were Misses Barbara Hough, of Toronto and Marilyn Hodgson of Bradford, both former nurse classmates of the bride and Miss Melanie Galbraith, sister of the groom, of Newmarket. Miss Lesley Anne Vasey of Bradford was the flower girl.

The best man was Kenneth Bell of Newmarket and the ushers were Gary Buglar of Toronto, Jim Gamsby of Oshawa and Sandy Galbraith, brother of the groom, of Newmarket.

BUSINESS COLLEGE ELECT STUDENTS' COUNCIL

On Friday, September 28, a nominating committee appointed by the principal of Lindsay Business College brought in a slate of officers to be elected to the 1962-63 students' council.

Elections were held promptly with the following results:

Miss Dorothy White, president; Miss Sharon Townsend, vice pre-

CUSTOMS DECLARATIONS NEEDED ON CHRISTMAS PARCELS

Canadians who want their Christmas gifts to arrive safely in Britain will have to ensure that customs declarations are completely filled out and properly attached to each parcel, it was pointed out today by the postmaster general, the Hon. Ellen Fairclough.

The postmaster general said information has been received from the British post office that many parcels from Canada are being delayed at ports of entry because of faulty customs declarations. She said many Canadians use general terms such as "toys," "clothing," or "Christmas gifts" on the declaration. This is not a proper declaration.

The British regulations require that the exact nature of the contents must be indicated as well as their value.

Mrs. Fairclough pointed out that improper completion of the customs declarations can easily result in gifts being delayed and may even lead to seizure of the parcels or imposition of penalties.

If the declaration does not provide sufficient information, the package must be opened by British customs officers or the addressee has to be asked to provide further details.

Mrs. Fairclough expressed the hope that Canadians will avoid unnecessary delay and inconvenience by describing the contents of each packet accurately, separately and in detail.

Miss Heather Boyce, secretary; Mr. Ron Jenkins, treasurer; directors are Misses Pat Cruess, Veronica Lynch, Sheila Brown, Bunny Connolly and Mr. Bruce Griffiths.

Bruce Griffiths was appointed as secretary of the bowling league which commenced its schedule with four day school teams and one night school team. Director Bunny Connolly is treasurer of the league. Vice president Sharon Townsend is in charge of public relations and publicity.

The students' council first off was to arrange for the purchase and sale of school rings and pins, crests and ribbons. This project is under the supervision of Veronica Lynch and Pat Cruess. A number of other projects have been scheduled for the school year.

Students are in attendance at the Lindsay Business College from Gooderham, Little Britain, Fenelon Falls, Cannington, Omeenee, Bobcaygeon, Pontypool, Cobocok, Haliburton, Kirkfield, Dunsford, Bethany, Kinmount, Lindsay and Minden.

News Notes From The County

Rotary Party A Success

The Haliburton Rotary Club held their annual Hallowe'en party at the Molou theatre, Haliburton. As usual the kids were on hand and prizes were given out for those with the best costumes. After watching some cartoon films on the screen the children left happy with a box of popcorn and an orange. It would appear that turnouts for this event at the theatre seem to be getting smaller each year. In talking with the theatre management and others, they seem to think the attendance is small when one takes into consideration the number of children in Haliburton and vicinity. Many reasons can be given for the low attendance. We wonder if the children would rather go around to the houses early and pass up the theatre show. Others feel they can see these movies on TV at home and are not interested. As for the popcorn and candy they receive—how many really appreciate it. In our opinion the theatre party is a good idea, but how many really agree with us.

Still keeping with Hallowe'en we find it is time to review the happenings of that eventful evening. As usual the boys and girls were around in gangs and yelling trick or treat. The older ones were out for more interesting things and we noticed several wood piles knocked down, windows covered with soap and the odd fence knocked to the ground. Several windows at the Lakeview public school were broken. Other than this the evening was very quiet.

The girls' volleyball team from the county high school were in Fenelon Falls on Saturday night to meet the Fenelon girls in a game.

Mr. Anton R. Lendi, the internationally renowned Swiss commentator presented his films on the pageant of Switzerland at the Minden United Church on Monday evening last. These films were acclaimed by audiences and the press of Canada and the U.S. as one of the most outstanding international presentations.

Mr. David Clee, former teacher at Haliburton, was the guest speaker at the commencement exercises held in the county high school on Friday night last. The valedictorian was Miss Susan Cameron.

Eight appeals against Somerville township assessment of cottage properties await the return of Judge J. C. N. Currelly to the Victoria county bench following

a brief illness. Cottagers complain that they are paying 55% of the township's assessment and get nothing for it. Reeve Boyd Austin of Kinmount claims there is no fight with the cottagers. Reeve Austin said township council has never received any direct complaints from the Somerville Cottage Association, but he understands they are annoyed at having to pay school tax.

Down Lindsay way the arena officials deny that the building is unsafe. The roof of the Lindsay arena is safe, it has not shifted one inch, says Robert Payne, chairman of the arena building committee.

Garnet Stevenson of Minden was fined \$25 and costs in magistrate's court today for consuming liquor while on the interdicted list. Minden OPP Const. Earl Bush said Stevenson was arrested Tuesday about 11 a.m.

CHEX - TV Has New Transmission Tower

CHEX-TV's new 800 ft. transmission tower is now in operation. Their chief engineer, Bert Crump, who toured the proposed new coverage area the week end of October 21 and 22 while the new tower was in operation for testing purposes, reports that good signals are now reaching Bancroft, Tweed, Sutton, Minden, Uptergrove and Belleville. While the tower was being tested prior to the official opening, letters and phone calls were received from as far away as Toronto, Oshawa and Orillia stating that a good signal was being received. It is estimated that 25% more homes will now view channel 12 for the first time.

We were glad to see Mrs. Bob Yarnold taking a keen interest in the Lindsay Kinsmen Band. Her husband, Bob, who plays trombone, was a former member of the Haliburton band before he moved to Lindsay. Their daughter is a member of the Kinsmen band.

A late report tells us that the Hallowe'en pranks were running wild on the Eagle Lake highway. We understand they took a saw and cut down some of the sign posts beside the highway.

Gone Hunting

The hunting season is once again in progress. Hunters from all parts of Ontario have converged on the Highlands of Haliburton. The following news item is taken from Pete McGillen's column in Friday night's Tely.

If you have business in Peterboro next week, better check by phone to ascertain if your contact is at work. This city has the greatest exodus of deer hunters, of any place its size that I know of. Doctors, dentists, factory executives, insurance men, service station operators and store clerks in great numbers will move out of the city this week end, heading into the Apsley and Haliburton deer camps.

If the current weather persists minus the rain, of course, it should be near perfect for deer hunting. There has been enough snow in the northern areas to subdue the crackle of dead leaves, and this bit of snow should help the dogs get more starts. I'm always discouraged when a near blizzard or a sleet storm blankets the country during the hunt because it makes back road driving hazardous and makes going in the bush unpleasant.

Last Thursday and Friday were final days for TB x-ray at Haliburton. All those showing positive after the patch test were required to take the x-ray.

Members of the Haliburton Rotary Club were busy over the week end dismantling the dock at the Rotary beach, Haliburton. Those present were Bernard Davidson, Frank Litt, Cliff Dawson, Jack Robertson and Mervyn Robertson.

A week ago we mentioned in this column that we might be faced with a shortage of hunters this year, but after last week end we note that more than ever are here in the county.

Good Crowd At Hymn Sing

An old fashioned hymn sing was held by popular request at the new Gospel Lighthouse in Haliburton on Sunday evening. Special instrumentals and vocals were sung by the congregation.

Some of the local businessmen tell us that on certain days the salesmen outnumber the customers.

A Hallowe'en dance was held in the Harcourt community hall on Saturday night.

We are sorry to report the death of Frank R. Brown at Kirkfield last week. He was the father of Homer Brown, local C.N.R. agent.

The Haliburton firemen assisted the local OPP on Hallowe'en night.

Mervin Mackey of Tory Hill was fined \$50 and costs by Magistrate W. R. Philp in court Tuesday after pleading guilty to having an unregistered gun.

OPP Const. Donald MacIntee told the court that while executing a search warrant in connection with a police investigation September 29 he found a .22 calibre revolver in the home where Mackey lived. Mackey admitted ownership and that it was not registered.

Mr. Roy Brohm, Dysart's deputy reeve, tells us that this will be his 32nd year of hunting with the same party.

While attending the commencement exercises at the Haliburton County District High School on Friday evening we were surprised to note that many of the students were absent when their names were called to receive their certificates. Why would they be absent on a night like this.

We would like to remind all Haliburton county citizens that this is poppy week. Wear a poppy in remembrance.

Final arrangements have now been made for the November 11 service at Haliburton.

N.B. WOMAN TO REPRESENT MOTHERHOOD

A 73 year old mother of 13 from a New Brunswick fishing village will represent Canadian motherhood at the national remembrance ceremony in Ottawa on November 11. She is Mrs. Vitaline Lanteigne of Caraquet, who lost three sons in war.

The Royal Canadian Legion announced that Mrs. Lanteigne will place one of the official wreaths at the National War Memorial. Her wreath—on behalf of some 104,000 mothers who lost sons in war—will be placed following that of His Excellency the Governor-General. Other official wreaths will be laid by the Prime Minister, Legion dominion president Judge C. C. Sparling and the chiefs of staff.

Mrs. Lanteigne had five sons in the army during World War II. Three were killed, the other two wounded. Arthur Lanteigne was killed in Italy with the Royal 22nd Regiment. Jean Baptiste Lanteigne of the Regiment de Chaudiere was killed in France five days after D-Day. A third son, Philippe, was also killed in France about two months later. He was serving with the Fusiliers du Montreal.

Of the survivors, Lucien was wounded at Dieppe and Daniel was wounded during the north-west Europe campaign.

Mrs. Lanteigne has eight living children. Of these, six are in the Montreal area, one in Lac du Salmon, Que., and one lives in Caraquet. Mr. Dominique Lanteigne, 83, who lives in Caraquet, is unable to make the trip with his wife.

Mrs. Lanteigne is the first mother from New Brunswick to be selected for the national remembrance ceremony which is organized by the Royal Canadian Legion. She is the eighth to be chosen from outside the Ottawa area.

While in Ottawa, Mrs. Lanteigne will be the guest of the Royal Canadian Legion. It is expected that she will have tea with the Governor General and Madame Vanier and will be the luncheon guest of the chief of the general staff represented by Maj.-Gen. J. P. E. Bernatchez.

SPORTS

Rick Bain who had a tryout with St. Mary's in the junior B O.H.A. team this fall, is expected back to the lineup with the Haliburton Huskies this season.

We still haven't any word on when the Haliburton and Minden hockey clubs will be holding their first meetings.

Your kindness will be remembered by Tom Bolton.

IN MEMORIAM

Bain—In memory of Henry Bain who passed away November 13, 1957:

Gone dear father, gone forever,
How we miss your smiling face,
But you left us to remember,
None on earth can take your place.

A happy home we once enjoyed
How sweet the memory still,
But death has left a loneliness
The world can never fill.

—Sadly missed and lovingly remembered by daughter Ruby and son-in-law Gordon and family.

OBITUARY

Aileen Curry

The late Aileen Curry passed away at her home in Haliburton on Wednesday, October 10 last. The funeral service was conducted in the Haliburton United Church at 2 p.m., Saturday, October 13 by the Rev. George D. Petrie, assisted by Rev. McNeill of the Gospel Lighthouse, Haliburton.

She was in her 55th year and is survived by her husband Bert, son John, a sister, Mrs. Frank Andison, all of Haliburton, and a sister, Mrs. George Henderson of Burnaby, B.C. She was born in Haliburton, the daughter of Samuel and Annie Watt.

The late Mrs. Curry was beloved of many people. The activities of herself and her husband in the lumbering business and summer resort business made her a host of friends throughout Ontario.

Her work in the community was outstanding in its devotion and honest effort. She was a past worthy matron of the Order of the Eastern Star, Highland chapter No. 230. She acted for many years on the executive board of the Haliburton Red Cross Society and also on the executive of the Haliburton Cancer Society. She was a past president of the Haliburton ladies' curling club and for many years served on its executive. A staunch member of the Haliburton United Church, she acted as a willing worker in many of the church's projects over the years.

Sisters of the local chapter of the Eastern Star held a service for the deceased at her home on Friday evening, October 12.

Pallbearers were brethren of the Eastern Star, Messrs. Wesley Baker, Frank McIntyre, Lester Walling, Charles Wise, Harold Herlihey and Russell Dart.

Interment was made in Evergreen cemetery, Haliburton.

CHURCH NEWS

A large crowd attended the rally service at the Gooderham Pentecostal Church. The evangelist rendered several special numbers in song. The guest speaker, Rev. G. F. Atter, gave a challenging message from the book of Acts, "The Promise of the Father." Visiting ministers were the Reverends F. Spring of Frankford, D. Rodgers of Bancroft, K. Roney of Bobcaygeon, M. Griffin of Cobocok, and G. Mill of Kingston.

A lovely new parsonage, the home of Pastor and Mrs. Thomp-

son, was dedicated to the Lord by Rev. F. Spring and Rev. D. Rodgers.

The young people of the Pentecostal church in Gooderham have been enjoying their weekly Friday night meetings. As many as 17 have gathered into study the Bible together.

The Boys Crusaders and Girls P.M.A.G., ages eight to 13 of the Pentecostal Assemblies Church in Gooderham got off to a good start with an enrolment of 40.

Minden News Notes

Among those who visited their parents last week end were Miss Joan Hewitt, Miss Ruth Taylor, Miss Helen Moore, Mike Weiss and Bob Finlay.

Mr. and Mrs. Roy Brooks of Newmarket spent the week end at their home near here.

Mrs. John Bumister and Scott of Oshawa are spending this week with her parents, Mr. and Mrs. Garnet Lazier.

Mr. and Mrs. Russell Elstone of Toronto spent a week end recently with Mrs. N. Ball and Jack.

Mr. Truman Wright of Minden was the lucky winner of the rifle raffled by the rod and gun club.

Sympathy of the community to the family and friends of the late John Dudman who passed away late last week.

Mrs. Earl Crawford and Miss Jessie Plaxton of Hart Lodge have just returned from a delightful trip to Victoria, B.C.

Mr. and Mrs. Harold Deacon and Mr. and Mrs. Garnet Lazier are celebrating their wedding anniversaries this week.

Mr. Anton Lendi, consul of Switzerland, was entertained at dinner by Mr. and Mrs. Elgin Stouffer prior to the showing of his illustrated lecture last Monday night.

Russell Burk of Minden was the winner of the rifle raffled by the Minden hockey club.

Patients at our local hospital early this week were Mrs. Ted Pogue, Mr. Spindler, Mrs. Anderson and Mr. Norman Maidens.

Mr. Bill Lindop, a former resident of Minden is in Ross Memorial Hospital following a sudden illness.

Mrs. Wm. Moore spent several days last week in Toronto with Mr. and Mrs. Chamberlain and Doug.

Mr. James Hie was the recipient of a party last Friday night on the occasion of his 18th birthday with Mr. and Mrs. Lawrence Hie and Tara of Toronto also being present.

Mr. Allen Kent and Mr. Bill Brennan of Scarboro spent the week end at their cottage on Brady's Lake.

Mr. Allen Kent and Mr. Bill Brennan of Scarboro spent the week end at their cottage at Brady's Lake.

A report has reached us of the arrival of another granddaughter for Fred and May Wright and a daughter for Eileen and Charles Zanatian of South Dakota.

A good crowd enjoyed cards at the Orange lodge last week with winners being, for cribbage, Fred

Wright and David Stevens and for euchre, Jack Hounsell, Mrs. H. Coulter, Mrs. Tom Harrison. Following the games a delicious lunch was served by the committee.

Minden Teen Town

The teenage crowd of Minden have organized a club and have dances at the arena quite often. Executive are, president, Carol Hodgkinson; vice president, Gloria Cox; secretary treasurer, Gail Gartshore; directors, Susan Young, advertising; Wayne Cassidy, membership; social committee are Pat Weiss, Joy Hewitt and Dan Varty; Tim Jackson, tickets and chaperones and Mike Jackson, ways and means.

This is a new venture and it is good training as well as giving this group something to work towards—good fun in our own community for our teenagers.

Minden Home and School

The October meeting of Minden Home and School was held in Mr. Morgan's room with Mrs. McGee presiding. After the opening of "O Canada" and the Lord's Prayer she welcomed all parents and told us that the school rooms would all be open prior to meeting time.

A fun fair is planned for November 23 with games and hobbies on display in all the rooms. A committee of Mrs. Elder and Mrs. Godin was appointed to organize this.

On a showing of hands it was decided to serve lunch only at open house and founder's night.

There was some discussion as to a skating rink or hiring time at the arena.

Mrs. Gorrie's room won the banner and award for the month.

Mrs. McGee thanked her committee and all others who helped make the rummage sale so successful. There will be another sale in the spring.

The next regular meeting will be in January.

Mr. Morgan gave a few explanatory remarks about the report cards which would be sent home that week.

Mr. Elgin Stouffer very ably introduced our local physician, Dr. Griffiths, who spoke on immunizations.

The meeting closed with God Save the Queen.

DONALD

Dr. Lloyd Bailey of Toronto was a visitor on Saturday at the home of Mr. and Mrs. Wm. Emerson.

Mrs. Ralph Pasquino was a week end visitor to Toronto with her son and daughter, Mr. Ronald and Miss Barbara Pasquino. While there they motored to Walsingham to visit with Mr. and Mrs. E. Smith.

Mr. Grant Roberts and Miss Lois Giles of Haliburton were Sunday visitors with Mr. and Mrs. Earl Schellenberg.

Carnarvon Ski Club Getting Set To Open New Ski Tow

On Friday of last week we had the opportunity of talking with Fred Gregory of the Carnarvon Ski Club.

Mr. Gregory told us they are looking forward to another great season on the ski trails. Since last winter the club have made some extensive alterations on the tow and trails. In this time a large amount of money has been spent in an effort to make Carnarvon one of the better ski sights in Ontario.

For the past several weeks bulldozers, loaders and trucks have been busily engaged grading off the new hill which will be in operation for the first time this season. Work on the new hill is just about completed and the grading has been done on the tow line.

Mr. Gregory reports that there will be a day's work left after the frost gets into the ground, installing the tow, pulleys and rope.

We understand that the club can now boast of having 1,400 and 1,800 foot trails for the skiers this winter.

Mr. Gregory also told us that the intermediate slope is just about finished and the beginners hill is ready and grading has been completed.

Our congratulations to Fred Gregory and the Carnarvon Ski Club who seem to have the foresight to look ahead in what they hope will be success in the future. The club hasn't had smooth sailing and they realize it is a long term investment that might take years before the profits start to show.

Everywhere you go in the Highlands of Haliburton you hear people crying the blues because the tourist season is too short and we need something to do in the winter. The Carnarvon Ski Club are trying to do something about it. They deserve the backing of everyone in the highlands.

Some people are still pessimistic about this venture and shun the possibility of it being a success. The Carnarvon club are optimistic and they report that some of the lodges out Carnarvon way have signified their in-

tention of staying open all winter to take care of the skiing public.

The club is selling season tickets and although they are going good, many more are invited to belong. They tell us that reservations for skiing this winter are coming in from as far away as Buffalo.

We might add here that this is the only ski tow in Haliburton county now in operation. You can see what winter sports can do for our county by making a trip to Carnarvon sometime this winter.

Blair Signals SOS After 13-3 Beating

When the athletes fail to deliver on the ice, Wren Blair, the demon general manager, livens up the action on the sidelines.

Blair's Oshawa Generals took a 13-3 thrashing from Turk Broda's Marlboros in Friday night's Metro junior A hockey at Maple Leaf Gardens.

The win boosted Marlies lead in the Metro league to three points and pushed Oshawa further into last place with the cry from Blair "We need player help, and need it in a hurry."

Aside from discussing future player changes with his fellow

Boston scout Baldy Cotton, Blair took over the coaching until coach Doug Williams arrived from a business meeting. He also ran an explosive argument with referee Johnny Sullivan. It ended with the referee ordering Blair off the bench and almost out of the rink, but it really never got that far.

Blair after being chased from the bench, told all within his voice, "the CHA should send us their top officials. They are looking down their noses at this league when they assign second-raters."

Scottie LaRue Traded To Whitby Dunlops

Scottie LaRue of Haliburton has played hockey for the past two seasons with the Woodbridge Dodgers in the junior B competition. This year the Dodgers moved to Weston to play in the arena there and be known as the Weston Dodgers.

Last week Scottie was informed that he had been sold to the Whitby Dunlops who are playing in the six team metro A league.

This is a great promotion for the former Haliburton hockey player who steps into the junior A company and will have a better chance of being seen by some of the pro hockey coaches. He is still going to school at Weston and will commute the 30 miles to Whitby for practices and games.

On Tuesday night last the Whitby club were at home to play Knob Hill Farms. In that game the Whitby club came out with a tie and it was LaRue who set up the all important tying goal.

LaRue is still playing defence and looks like one of the better players on the club. We learn that new players are coming in to Whitby to give them a front running contender.

Bobby Attersley, the former

star with the world champion Whitby Senior Dunlops, is the junior's coach.

We have in front of us one of the junior A metro hockey league schedules. We might point out the Whitby club will be playing their home games on Tuesday nights. If you are thinking of attending, the games start at 8 p.m.

Last Sunday when the Whitby club played in Toronto it was the first time Scottie had played on the large ice surface at Maple Leaf Gardens.

We wish him the best of luck in his debut with Whitby and we hope he will be good enough in the future to play pro hockey.

Gary Vasey Back With Bradford

Gary Vasey, who is once again teaching school at Bradford, will be lining up with the Bradford hockey club. They will be playing against Meaford, Collingwood, Orillia, Midland and Oakville. Gary was one of Bradford's leading scorers last season.

Alterations Still Underway At The Haliburton Arena

The Lindsay Kiwanis arena isn't the only one in the country that is receiving a face lifting. As we stated in this paper a while ago, the Haliburton community arena has already received an exterior coat of aluminum paint.

We paid a visit to the arena on Friday morning last to find Wes Sawyer, the local caretaker, hard at work getting the building in shape for what they hope will be the earliest opening in history.

The first job that is being undertaken is the removal of some of the old planking near the front of the arena. Some of this flooring is in very bad shape and is being repaired before someone falls through it. We also understand that new flooring will be placed in both the men's and women's waiting rooms and also in the Huskies' dressing room. Mike Biagi of Haliburton has been awarded the contract of building a new men's washroom at one end of the arena.

Work is already in progress on the washroom.

The last of the carnival material is being removed from the ice surface and the arena manager hopes to be leveling it off sometime this week. After this they will start to flood if the weather continues to stay cold.

The Haliburton arena is looking forward to a good season with the skating club expected to be back in action and also we hope the Haliburton Huskies will once again be a good contender.

We always hope to see a new arena in Haliburton in the near future but until that time we will have to keep putting the necessary repairs on the present one.

This winter we hope that you will participate in one of the many activities that will be going on at the arena. If not participating why not be a fan at one of the exciting boys' or men's hockey games.

Local Sport Briefs

Over the week end local ball players had a chance to see Mickey Tantle and Roger Maris on the screen at the Beaver theatre. The two players were featured in the motion picture, "Safe At Home."

The Haliburton Rotary Club were up at the arena on Saturday morning last to remove the carnival equipment. They are storing it in the Emmerson Lumber Co. warehouse.

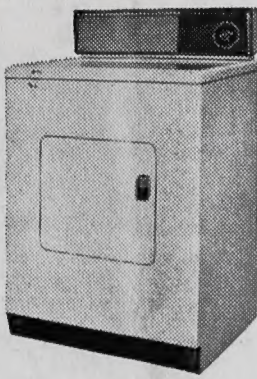

We might mention here, for the information of local hockey fans, that the Metro Junior A all-stars will be playing an exhibition game with Russia on Friday, November 23.

Blair Livingstone, a former player with the Toronto Marlboros junior A hockey club, was a visitor to Haliburton over the week end. He is well known in the area, having spent many summer holidays in Haliburton.

Members of three Royal Canadian Legion dart teams of Lindsay returned from Cardiff on Saturday with the top trophy. The Lindsay teams were in competition with teams from Cardiff at a branch dart tournament held in that town. For their fine effort the teams also received individual prizes of Legion ash trays.

Some of the local hockey fans have been attending the junior A hockey games at Whitby.

On Thursday night last the Toronto papers told the story of how hundreds of boys are being turned away from arenas in the Toronto area. Apparently there just isn't enough ice time. The young boys here are lucky to be able to play in Haliburton county.

Second Old Fashioned Hymn Sing a Success

The new Gospel Lighthouse church was almost full on Sunday night for the second old fashioned hymn sing. Right from the beginning it was possible to sense that everyone was enjoying the meeting. Members of the congregation picked a number of the hymns they wanted to sing. Between these hymns were various special musical selections. Everyone enjoyed the trumpet solos by Mark Davison, the vocal solos by Mrs. Blanche Wright, the piano and organ duet by Mrs. Nelson Davison and Dan Davison.

After the full evening of singing, Pastor McNeill spoke briefly on "The ABC's of Life." He presented very clearly the facts of Biblical salvation and the Christian life.

It is hoped that another such evening can be held before too long.

Pastor and Mrs. Thompson of Gooderham had an evening of fellowship this week with Pastor and Mrs. McNeill.
